Dear Estate Management Office,

Notice

Contract No. 1202

Tung Chung East Station and Associated Enabling Works for Track Diversions
Temporary Removal of Noise Barrier

The Tung Chung Line Extension Project commenced in May this year. To facilitate the relevant track diversion works for the Tung Chung East Station under the project, part of the noise barrier adjacent to the Hong Kong-bound track of the Tung Chung Line must be removed in phases to make room for the subsequent works including the construction of the new tracks, track diversions and modification of the noise barrier.

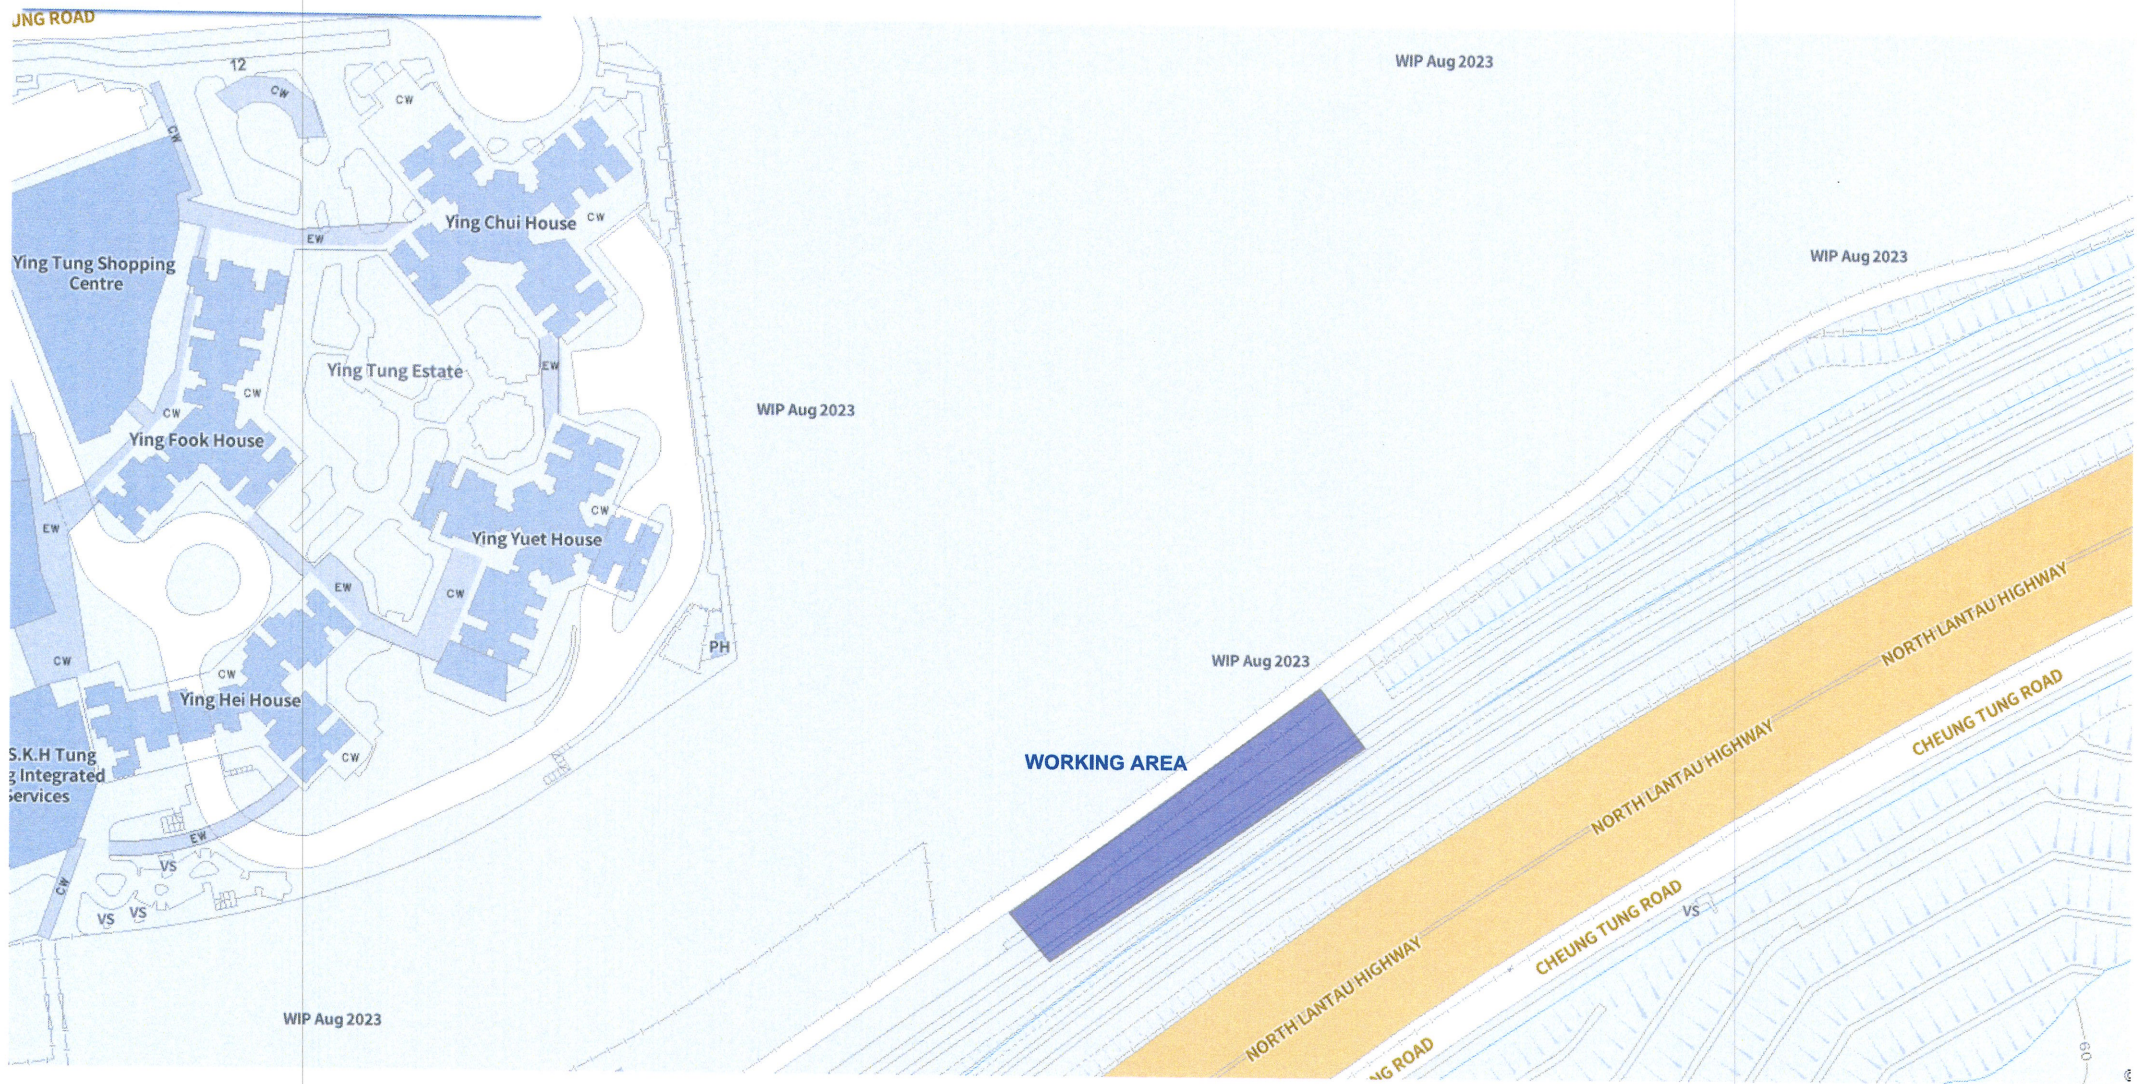

The temporary removal of the noise barrier will take place between late August 2023 to mid-March 2024. Since some of the works will be carried out very close to the operating Tung Chung Line track, these works must be carried out during some late night hours (i.e. from midnight to 5 a.m.) in the above period to avoid affecting train services.

We will put in place appropriate noise mitigation measures to minimise any impact on nearby residents. We apologise for any inconvenience caused. For enquiries, please call our Mr. Ken Ma (Senior Construction Manager) at 9889 5910 or call MTR Engineering Hotline at 2993 3333.

Thank you for your attention.

Yours faithfully,

Calvin Leung

通告

東涌綫延綫合約 1202

東涌車站新軌道改道相關備置工程

隔音屏障臨時拆卸工程

東涌綫延綫項目已於今年 5 月展開,為配合項目下東涌車站的相關軌道工程,現時位於東涌綫往香港方向路軌一側的部分隔音屏障需先分階段拆卸,以騰出空間進行新鐵路路段建造、路軌改道和改建隔音屏障等工程。

隔音屏障臨時拆卸工程將於 2023 年 8 月下旬至 2024 年 3 月中旬期間展開,當中部分工序位置貼近營運中的東涌綫路軌,因此必需於上述期間部分晚上的深夜時份(即凌晨 12 時至凌晨 5 時)進行,以避免影響日常列車服務。

我們會採取適當的噪音緩解措施,盡力減低對附近居民的影響。就上述工程可能帶來不便,敬請原諒。如有查詢,請致電我們的高級建造經理馬健華先生(9889 5910)或港鐵工程熱線 2993 3333。

此致!
