東涌綫延綫項目 東涌西段隧道工程

東涌綫延綫項目快將展開，當中為進行東涌西段隧道工程，東堤灣畔一、二期之間的部分公共空間將於 **2023年5月12日（星期五）**起，由政府以短期租約形式批予港鐵公司用作延綫項目工地，工程施工期間，工地範圍將維持開放一條來往東堤灣畔至順東路的臨時行人通道。

於今年 **5月15日（星期一）**起，承建商將以圍板或圍欄等妥善分隔工地及上述臨時行人通道以便展開工程，包括在圍封範圍內進行移除樹木及花槽等工作，工地亦會安裝照明設施及安排保安員駐守。

為配合工程，上述臨時行人通道將於 **5月15日至今年第三季期間**分階段作出改道，並一直維持開放直至工程完成。有關詳情請參閱附圖。在此期間，承建商會確保緊急通道保持暢通，及於適當位置設置指示牌，為行人提供清晰指示。

就上述工程可能帶來不便，敬請見諒。如有查詢，請致電 9223 7763 與總工務督察胡先生聯絡，或致電港鐵工程熱綫 2993 3333。

Tung Chung Line Extension Project Tung Chung West Section Tunnel Works

The Tung Chung Line Extension Project is about to commence. As part of the construction of the Tung Chung West Section Tunnel, a part of the public open space between Tung Chung Crescent Phase 1 & 2 will be leased to the MTR Corporation by the Government through a short-term tenancy starting from **12 May 2023 (Friday)**, for use as a construction site for the project. During this period, a temporary pedestrian walkway will be maintained between Tung Chung Crescent and Shun Tung Road.

Starting from **15 May 2023 (Monday)**, the contractor will properly separate the construction site from the temporary pedestrian walkway with hoardings or barriers to carry out the works, including the removal of trees and planters within the enclosed area. The contractor will also install lighting and arrange for security guards to be stationed on site.

To facilitate the works, the temporary pedestrian walkway will be diverted in stages from **15 May 2023 to the 3rd quarter of 2023** and will remain open until the completion of the works. Please refer to the attached diagrams for details. During this period, the contractor will ensure that emergency accesses remain unobstructed and will set up signages where appropriate to provide clear direction to pedestrians.

We apologise for any inconvenience the above works may cause. For enquiries, please contact Chief Inspector of Works Mr Wu at 9223 7763 or the MTR Project Hotline at 2993 3333.
